“Care for the Shepherd And Hope for the Flock”

“The Sermon” - by Robert O. Hodgell

2008 Annual Tentmaking Conference

Friday (5 PM) October 24
thru
Sunday (noon) October 26

Conference Highlights!

Care for the Shepherd –

- ❖ Powerful worship and preaching segments by Rev. Dr. Bill Hedrick. Bill (retired 25+ years combined Austin Seminary staff and parish ministry) will be our guest preacher and worship leader throughout the weekend.
- ❖ In a time when energy issues are ever upon us, avert a crisis and come discover new sources!
Bill will explore with us the two-part theme of self-care for the tentmaker and (as we practice that principle) the dynamic role tentmakers play in the present and future church.

Hope for the Flock –

- ❖ Keynote presentations, including Phil Aspinall from United Kingdom and CHRISM, will challenge and inspire us in our unique way of shepherding.
- ❖ Panel discussions with invited “turn around” and “success story” tentmakers from around the country who bear out the vision of our unique call.
- ❖ Regional Church, Presbytery, and Synod representatives in support of the tentmaking model.
- ❖ A benefit concert for APT at First Presbyterian Church, Santa Fe featuring traditional jazz based on music of the church.
- ❖ Telling our stories – time to re-energize, re-connect, share our vision, network with first timers and birds of a feather.
